We are proud to present our glass bottom boat with the hydrofoil "LOOKER 350"! All our experience in glass bottom boat building and the newest technologies were used in "LOOKER 350". The boat demonstrates impressive stability and extremely low fuel consumption! As all other PARITETBOAT glass bottom boats it shows high speed (40 knots), excellent seaworthiness in rough sea and safety. Passenger capacity has been increased to 30 passengers. Start new age of your sea trips business with the newest "LOOKER 350"! <P>
