Sailing long-term, or even sail around the world? This newly overhauled Reinke is the ideal boat to do it! And yet at a sensationally low price!

- A protected cockpit, a solid high hand rail, and simple-to-use out of the cockpit sails. This makes the passages safe.

- A saloon with all round view, a large Bathroom with hot and cold water shower, a well equipped kitchen and a good sized anchor gear make the stay in the anchor bays comfortable and safe. This Reinke 12M, built in 1990 in steel offers just that and much more ....
