Comments	Equity partnership in our comfortable, safe and well maintained 44' Beneteau. Berthed in Sausalito in a quiet easy access slip. Enjoy your week every month as you wish or share sailing with other partners, we just love to sail in or out of the Bay. $300/month pays for slip, insurance and fuel, with reserve to cover regular maintenance. Former partner moved up to a larger Beneteau closer to his home. Shared ownership allows all partners to enjoy a larger, safer vessel than one could afford to maintain and finance alone. 3 berths, 3 head model with cold plate and new full dodger allows for comfortable dry cruising. For more details, please call or email. The cure for everything is salt water, sweat, tears, or the sea. <P>
